

Bird Feeder

Category	Activities
Badge	Birds
Advancement	Living with Nature
Time to allocate (mins)	10
Outcome	Create a simple bird feeder
	Toilet roll inners
	Peanut butter
Resources	Bird seed
	String
	Lollipop stick
	Step 1 Place bird seeds on a plate or tray.
	Step 2 Use a lollipop stick to spread peanut butter (or other butter/oil) around the outside of an empty tube of toilet roll.
Instructions	Step 3 Carefully roll the tube in the bird seed.
	Step 4 Thread a length of string through the tube and tie the ends together. Hang the feeder in a tree for the birds to enjoy!
