

Build a Shelter

Category	Activities
Advancement	Healthy Mind
Time to allocate (mins)	25
Outcome	Cubs practice their knotting
Resources	Staves Rope Hessian
Instructions	Each Cub six is provided 3 to 5 staves, some rope and some hessian or groundsheets to build a shelter. They need to all fit within the shelter when time is called. They can try to use some of the knots they have learnt to secure the poles and the cover.
