

Clothing Relay

Category	Game
Type	Relay game
Time to allocate (mins)	10
Instructions	<p>Start by getting a collection of clothes that are appropriate for all weather conditions, bathing suits, hats, scarves, shorts, raincoats, sunglasses, etc. You can ask for donations from parents, friends or purchase some second hand items at a thrift store. Put them all into a large bin and place them at the front of the class. Then divide your class into two teams and have each team chose a volunteer to stand up front with the collection of clothing. The rest of the class should line up at the back of the room in teams. For each round, you will announce a weather condition and one person from each team should run up to the front of the room. They must then run up to the person on their team who is standing by the clothing and chose an item that is appropriate for that type of weather. The runner must then place the item on the other student without the other student's assistance. The first person to choose an appropriate item of clothing for his teammate and put in on the teammate appropriately scores a point for the team. Continue until everyone has had a turn or until you have used all your weather words. The team with the most points wins.</p>
