<b>Category</b>	Game
<b>Type</b>	Team game
<b>Time to allocate (mins)</b>	10
<b>Instructions</b>	<p>This can be played in a large room or outside. Make a bag of sweeties for each Six and tie a piece of different coloured string to each bag. Take the non-tied ends of the strings and wind them over or around objects in the room such as chairs or tables (if outdoors things like trees, bushes or patio furniture). Weave each string across other strings to entwine them and start making a tangle of wires. Leave the untied ends of the strings untwined enough so that the Cubs can easily pick up a string and start to unravel the wires. Yell 'go' and as each Six unravels their wires, they get their sweets. Each Six to work as a team.</p>
