| <b>Instructions</b>            | <p>Divide the Cubs into two teams facing each other. They lock elbows with those next to them in their line. Place 10 'bricks' (pebbles) on the floor near the first player in each line. On a signal, those two Cubs each pick up a 'brick' and pass it to the next Cub in line, who passes it on. The players arms must remain linked throughout the game. If a Cub drops a 'brick', he/she must retrieve it without breaking the chain. The first player may start another 'brick' right away. The first team to pass the 10 pebbles to the end, wins.</p> |
