

Monsters vs Aliens

Category	Activities
Advancement	Knotting
Time to allocate (mins)	30
Outcome	using knots, poles and hessian to build a fort
Resources	Rope Staves Hessian Newspaper
Instructions	Divide Cubs into Sixes. Each Six to build a fort with ropes, poles, hessian and other natural elements. They need to be positioned close enough to be able to throw the newspaper balls at each other. Once forts are completed, to start throwing the newspaper balls - the team who manages to get the most balls inside the other team's fort (without leaving their own), wins the war.
