

Ocean Diorama

Category	Activities
Advancement	Conservation
Time to allocate (mins)	25
Outcome	Create a diorama of an underwater environment
Resources	Two paper plates per Cub
	Scissors
	Glue
	Pictures of fish, seaweed, etc.
	Wool
Instructions	Sand
	Cut the centre out of the one paper plate
	Cut out pictures and create an ocean scene on the other paper plate using whatever materials are on hand
	Glue the plates together (face-to-face) to look like a porthole. Paper plate can be decorated/painted around the edges.
