

## Ring, Ring, Who's got the Ring ?

---

<b>Category</b>	Game
<b>Type</b>	Circle game
<b>Time to allocate (mins)</b>	10
<b>Instructions</b>	<p>Based on Who's Got the Button. Kids sit or stand in a circle with the birthday child in the center, holding a ring between his palms. Everyone keeps their own palms clasped together, while the ring master goes around the circle, tapping each set of hands with his own. Along the way, he secretly transfers the ring into someone's hands. When he has gone around the circle completely, he stands in the middle and chants, Ring, Ring, Who's Got the Ring?, pointing to someone to make the first guess. If the child guesses incorrectly, the guess passes to the child to his left. The child who guesses correctly takes the ring and becomes the Ring Master for the next round.</p>
