

The Chocolate Game

Category	Game
Type	Circle game
Time to allocate (mins)	10
	A wrapped bar of chocolate
	A plate
	A knife and fork
	Some dressing-up items (at least a hat, scarf and gloves)
	Dice
Instructions	<p>How to play:</p> <p>Put the bar of chocolate on the plate with the knives and forks nearby and sit the children around it in a circle. Throw the pile of dressing up clothes into the circle. Give one Cub the dice.</p> <p>Cubs take it in turns to roll the dice on the floor in front of them, passing them around the circle to their left. If a Cub rolls a six, they leap into the center of the circle, put on the dressing up clothes, and start to unwrap, then eat, the bar of chocolate - but only using the knife and fork. That Cub keeps going until another child rolls a six, at which point they much co-operate in handing over the dressing up clothes so that the next Cub gets a turn.</p>
