

## What Colour?

---

<b>Category</b>	Game
<b>Type</b>	Steam release
<b>Time to allocate (mins)</b>	5
<b>Instructions</b>	The activity involves the Cubs asking one child (use a name that fits your theme) about what color they want. If the Cub who is on says red, then all the Cubs must run around and grab any item in the color red. You can use something other than colours as well e.g. natural items such as grass, tree, rock, etc.
