

Under the Bed...Rubbish

12 Jan 10:30

Duty six : Blue

Start	Time	Activity	Requirements	Instructions	Scouter
Cleaning out under the bed after a long holiday can bring out all kinds of things (have a black bag with various rubbish items to introduce each section of the programme).					
12 Jan 10:30	5	Activities : Opening	Register, beans, flag, totem and skin	Grand Howl Flag Break Register Inspection - belts and shoes	Akela
(taking some articles of clothing out of the bag) lets use this to play a game before putting the dirty washing in the laundry basket					
12 Jan 10:35	10	Game : Running Noughts and Crosses		<p>Set up 4 staves as a 3x3 grid on one end of the field.</p> <p>Two teams of 6 are lined on the opposite end of the field, with 3 players holding a color square of their team in their hand.</p> <p>They will play a game of noughts and crosses (tic tac toe).</p> <p>Each player will run forward and place their bib in a square.</p> <p>The first team to form a 3 in a row line (diagonal, horizontal, vertical) of their teams colours wins a point.</p> <p>If neither team has won from the initial run in then players can move their own team's bibs continually until one team wins.</p> <p>If you have bigger teams, number your players and call 3 numbers out to start. They can then run back to the sideline to tag another player in to move a bib.</p>	Akela
(Pull a tin can out of the bag) Some wierd things land up under the bed instead of the recycling but I think we can make a cool game out of this.					
12 Jan 10:45	20	Game : Tin Can Golf		<p>You can get the Cubs to make all the elements first and then play or make the items ahead of time and just play the game either as a team game or over a wide area.</p> <p>For the holes:</p> <p>Tin cans (as many as the holes you want for the game)</p> <p>Ice cream stick</p> <p>Flags (numbers on a triangle cutout)</p> <p>Glue stick & scissors</p> <p>Tape</p> <p>For the club:</p> <p>2 x paper towel rolls, plus a half cut lengthways to brace them together</p> <p>1 piece of thick recycled cardboard (ideally a flap from a cardboard carton)</p> <p>Duct tape</p>	Akela

				<ol style="list-style-type: none"> 1. Make the club by cutting out a piece from the cardboard scrap as shown in the collage below for the bottom of the club, cover with duct tape and trim. 2. Stick the 2 paper towel rolls together with the duct tape using the half piece cut lengthways as a brace over the join. Cover the entire stick with duct tape to give it a bit more strength and also for aesthetic value. 3. Tape the cardboard "club" to the end <p>For the obstacles:</p> <p>Assorted cardboard boxes – e.g. cereal boxes, cracker boxes etc.</p> <p>Duct Tape and scissors</p> <p>Cut the boxes up and make them into different obstacles. For example cut the base and top out of the box to create a tunnel, or attach ramps and sides to create a bridge over the top of the box.</p> <p>Now play golf</p> <p>Make an 'X' out of duct tape as the starting point and the Cubs can take turns making their way through the course.</p>	
12 Jan 11:05	5	Activities : Juice and biscuits		Juice and biscuit break	Akela
12 Jan 11:10	30	Crafts : CD Case Mazes	<ul style="list-style-type: none"> - Ball bearings/ bb gun pellets - Bendaroos (found in craft stores) or pipe cleaners and glue - Recyled cd jewel cases - Scissors & paper - Maze templates 	<p>step 1 Find a old unwanted CD case and remove the center CD holder and any papers</p> <p>step 2 Now you can take your bendaroos (wax covered strings) or pipe cleaners and cut and bend and create your maze. The pipe cleaners can be glued in place.</p> <p>step 3 You can then make tiny little round balls by rolling clay your fingers. Then bake to harden. Alternatively, use ball bearings/ bb gun pellets.</p> <p>step 4 You can tape colored paper to back of the CD HOLDER and tape the holder closed</p>	Akela
CDs not in their cases land up scratched and useless after being under the bed. But maybe we can make them into something else					
12 Jan 11:40	20	Crafts : CD Suncatchers		<p>Suncatcher paint (translucent glue and food colouring)</p> <p>CD (with labels scratched off</p> <p>Gut</p> <p>paint designs on CD and hang</p>	Akela
(Pull the Cub invite out of the bag) I found this special invitation hiding under the bed. It is to invite your friends to Cubs.					
12 Jan 12:00	5	Activities : Closing	Totem, Skin	Announcements	Akela
