Province Gauteng

Shaded campsites with large pool (not too close to camp). Clean ablutions. Power and water at campsites.

Hall (far from campsite) that can be used in bad weather

Kiosk with cooldrinks and icecream by pool (not close to campsite)

River is a short walk from the campsite

Description

Pool (with slide)

Walks

10km hike (offsite)

Activities

Helpful, accommodating owners

Highlights

Although there were other campers, there were no issues and no-one complained about our noisy campfire either :-)

Concerns

There are monkeys though we never saw them with all the Cubs around. However, did keep food and dustbin bags locked away at night in case.
